Study Title:

A Study on Embodiment and Emotional Responses in Virtual Reality

Please read the following statements carefully. By signing below, you confirm that:

- I have read and understood the Participant Information Sheet for the above study.
- I have had the opportunity to ask questions and received satisfactory answers.
- I understand that participation is voluntary and that I can withdraw at any time without giving a reason.
- I understand that anonymized data may be collected, including responses to questions and possibly physiological data such as heart rate.
- I understand that no personally identifying information will be stored or linked to my data.
- I agree to take part in the study.
